**Prague, 24 June 2026:** The European airport trade association, ACI EUROPE, yesterday elected Stefan Schulte for a second term as its President.

Schulte, the CEO of Fraport AG, was re-elected during ACI EUROPE's 36<sup>th</sup> Annual Congress and General Assembly, hosted by Prague Airport.

Remarking on his re-election, **Stefan Schulte** said: *"I am honoured that ACI EUROPE and its members have reaffirmed their confidence in my leadership for a second term, extending my tenure for another year. As Europe's airports face the need to decouple their financial viability and investment capabilities from volume growth, I will continue to do my utmost during this critical time to represent our airport community – from major hubs to vital smaller regional airports – while championing the interests of all our members."*

During this year's General Assembly, the following airport leaders were also appointed to the Board of ACI EUROPE for a first term: **Mr George Kallimasias**, CEO, Athens International Airport (Greece); **Ms Eleni Kaloyirou**, CEO, Hermes Airports (Cyprus); **Mr Nazareno Ventola**, CEO, Bologna Airport (Italy); **Mr Arnaud Feist**, CEO, Brussels Airport (Belgium); **Mr Rémi Maumon de Longevialle**, CEO, VINCI Airports (France); **Mr Pieter van Oord**, CEO, Royal Schiphol Group (the Netherlands); **Mr Andrew Bell**, CEO, Regional & City Airports (United Kingdom); **Mr Mats Johannesson**, CEO, Swedavia (Sweden).

Appointed to the Board for a second term were **Ms Aletta von Massenbach**, CEO, Berlin Brandenburg Airport (Germany) and **Mr Thomas Woldbye**, CEO, London Heathrow Airport (United Kingdom).

**ACI EUROPE** is the European region of Airports Council International (ACI), the only worldwide professional association of airport operators. ACI EUROPE represents over 600 airports in 55 countries. Our members facilitate over 95% of commercial air traffic in Europe. Airports and air connectivity support 14 million jobs, generating €851 billion in European economic activity (5% of GDP). In response to the Climate Emergency, in June 2019 our members committed to achieving Net Zero carbon emissions for operations under their control by 2050, without offsetting.
