Airports Innovate 2024

Where Innovators Connect

Packed with business, commercial and strategic leads and intelligence, the reimagined event is the premier global aviation conference where innovation takes off. This is a must-attend event for anyone looking to stay at the forefront of innovation, and be part of shaping the aviation ecosystem. Airports Innovate is jointly organised by ACI EUROPE, ACI Asia-Pacific & Middle East, and ACI World.

- **400+ delegates, 30+ exhibitors and sponsors, and 60+ speakers**
- **global airport leaders and their innovation labs,**
- **Civil Aviation Authorities, industry suppliers, mobility experts, start-ups and more.**

"Innovation is one of the three key strategic directions now followed by Europe's airports, alongside Sustainability and Diversification. The future of the airport industry lies in the interplay of these three tenets, which are now driving and enabling our business transformation – towards a new airport value-creation model." - **Olivier Jankovec, Director General, ACI EUROPE**
