**AIRPORTS COUNCIL  
INTERNATIONAL**

ACI EUROPE is the European regions of Airports Council International (ACI), the only worldwide professional associations of airport operators. ACI EUROPE represents over **500 airports** in 45 European countries. Our members facilitate over 90% of commercial air traffic in Europe: **2.5 billion passengers, 20.7 million tonnes of freight** and **25.7 million aircraft movements** in 2019. In response to the Climate Emergency, in June 2019 our members committed to achieve **NetZero** carbon emissions for operations under their control **by 2050**, without offsetting.

ACI EUROPE représente plus de 500 aéroports dans 45 pays européens. Nos membres facilitent plus de 90 % du trafic aérien commercial en Europe : **2.5 milliards de passagers, 20.7 millions de tonnes de fret** et **25.7 millions de mouvements d'avions** en 2019. En réponse à l'urgence climatique, en juin 2019 nos membres se sont engagés à atteindre **zéro émission** nette de carbone issue des opérations aéroportuaires entièrement sous leur contrôle d'ici à **2050**, sans compensation.

Basés à Bruxelles, nous représentons et servons l'industrie aéroportuaire européenne et maintenons d'étroits liens avec les autres régions d'ACI à travers le monde.

**EVERY FLIGHT BEGINS AT THE AIRPORT.**

**CHAQUE VOL COMMENCE À L'AÉROPORT.**
